

# Brambles

Notice of Annual  
General Meeting 2018

**Stephen Johns**

Chairman

24 August 2018

Dear fellow Shareholder,

At Brambles, our pallets, crates and containers form the invisible backbone of the global supply chain. This strong logistics platform, which centres on our inherently sustainable 'share and reuse' business model, uniquely positions us to support our customers and solve shared challenges in this evolving landscape.

As a company, we are committed to delivering sustainable value to our customers, shareholders and employees over the long term. We seek to partner with customers to deliver innovative, value-added solutions that meet their evolving needs. For employees, we seek to be an employer of choice that fosters and develops talent through exciting career opportunities in over 60 countries. For shareholders, we seek to deliver sustainable growth with attractive returns.

Following the challenges of last year, in the 2018 financial year (Year), we refocused on the core drivers of value and further streamlined our portfolio to optimise the growth and return potential of Brambles over the long term.

Despite inflationary pressures and robust competition in our major markets, management's resolute focus on executing against our strategic priorities delivered strong revenue growth and significant improvements in cash flow generation during the Year. While underlying profit growth this Year did not meet our longer-term expectations, our teams have identified, and commenced implementing, numerous initiatives which we expect to deliver operating efficiencies and improve profitability over the medium term, particularly in our US pallets business.

Following a strategic review of Brambles' portfolio, we have determined to pursue a separation of our IFCO RPC business through a demerger with IFCO becoming a separately listed company. We will also pursue a dual-track process whereby an outright sale of the business will be investigated. It is the Board's determination that a separation of IFCO from Brambles will optimise shareholder outcomes and better position both businesses to pursue a broad range of growth and value-creating opportunities.

Following the proposed separation, Brambles will remain the clear global leader in platform pooling - a highly attractive industry with significant scope for sustained growth, substantial benefits from established scale and highly attractive returns. Brambles will be positioned to continue generating strong revenue growth in its core markets, while also focusing on additional opportunities in emerging markets, first and last mile solutions and BXB Digital's investment in technology and innovation through the supply chain.

IFCO is a strong business and the global leader in RPC pooling with a large addressable market, strong financial profile and clear opportunities to capitalise on growth prospects in the sector. IFCO has benefited from substantial investments made under Brambles' ownership and is well positioned for its future as an independent company with a singular focus.

Enclosed is the Notice of Brambles' 2018 Annual General Meeting, which will be held at Ballroom 1, The Westin Sydney, 1 Martin Place, Sydney NSW 2000 on Tuesday 23 October 2018, commencing at 2.00pm (AEDT).

The items of business in the Notice will be familiar to you: the motion to adopt the Remuneration Report, the election and re-election of Directors, and the annual approval for Graham Chipchase (Brambles' CEO and Executive Director) and Nessa O'Sullivan (Brambles' CFO and Executive Director) to participate in Brambles' Performance Share Plan.

Full details of these proposals are set out in the Explanatory Notes to this Notice.

Also enclosed is a shareholder question form designed to give shareholders an opportunity to raise questions ahead of the Annual General Meeting, if they wish to do so. These questions may either be directed to Brambles or, if they relate to the content of the Auditors' Report or conduct of the audit, to Brambles' auditors PricewaterhouseCoopers. I will endeavour to answer the most commonly asked questions at the meeting.

Shareholders who cannot attend the meeting in person have the choice of casting "direct votes" or appointing a proxy to cast their votes. I encourage you to cast your direct vote or register your proxy appointment using the website of our share registry, Link Market Services, at [www.linkmarketservices.com.au](http://www.linkmarketservices.com.au). Alternatively, please complete and mail the enclosed shareholder voting form in the reply paid envelope provided, or return it to the share registry by fax. Details on how to appoint a proxy and how to direct a proxy to vote, particularly in relation to Resolutions 2, 5 and 6, are set out in the "How to Vote" section on pages 6 to 8 of this Notice. If you appoint me as your proxy but do not direct me how to vote, I will vote in favour of each of those resolutions.

Brambles' Directors believe the proposals set out in the Notice and described in the Explanatory Notes are in the best interests of Brambles and unambiguously recommend that you vote in favour of the resolutions.

If you plan to attend the Annual General Meeting in person, please bring the enclosed shareholder voting form to facilitate your registration. As in previous years, voting at the meeting will be conducted via a poll. Shareholders are invited to join the Board for afternoon tea at the conclusion of the Annual General Meeting.

The Board looks forward to seeing as many of you as possible on the day.

Yours sincerely

**Stephen Johns**  
Chairman

## Explanatory Notes

**Explanatory Notes on the items of business to be considered at the meeting follow.**

### Item 1

#### Financial Statements

The law requires Directors to lay the Financial Report, Directors' Report and Auditors' Report for the last financial year before the Annual General Meeting (AGM) of shareholders. The 2018 Brambles Annual Report has been posted on the Brambles website at [www.brambles.com/investor-centre/annual-reports](http://www.brambles.com/investor-centre/annual-reports) and posted to shareholders who have requested a hard copy of the report.

Shareholders will be provided with a reasonable opportunity to ask questions about, or make comments on, the 2018 Annual Report or about the management of Brambles generally.

### Item 2

#### Remuneration Report

Section 250R(2) of the Corporations Act 2001 (Cth) (the **Act**) requires a resolution that the Remuneration Report be adopted must be put to the vote at a listed company's AGM. The vote is advisory only and does not bind the Directors or Brambles.

The Remuneration Report, which forms part of the Directors' Report, is set out on pages 24 to 42 of the 2018 Annual Report, which has been posted on the Brambles website. The Remuneration Report sets out Brambles' remuneration policy and reports the remuneration arrangements in place for its Executive Directors, Non-Executive Directors and other key management personnel. Shareholders will be provided with a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report. Noting that each Director has a personal interest in their own remuneration from Brambles, as described in the Remuneration Report, the Board unanimously recommends the adoption of the Remuneration Report.

### Item 3

#### Election of Director

Elizabeth Fagan, having been appointed by the Board since the last Annual General Meeting and being eligible, offers herself for election. Prior to her appointment as a Non-Executive Director, the Board's Nominations Committee caused appropriate checks to be carried out on Elizabeth relating to her character, education and experience as well as any criminal record or bankruptcy history. None of these checks revealed any adverse information about her. The Board unanimously approved Elizabeth's appointment as Non-Executive Director with effect from 1 June 2018. The Board unanimously recommends her proposed election.

Elizabeth's brief biographical details follow:

### Item 4 Re-election of Director

Scott Perkins retires by rotation and offers himself for re-election. The Board carried out a review of Scott's performance as a Director of Brambles and, as a result of that review, unanimously recommends his proposed re-election. Scott has been a Director for three years and is considered by the Board to be independent in character and judgement and free from any business or other relationship which could interfere, or appear to interfere, with the exercise of his objective, unfettered or independent judgement. Pages 6 to 8 of the 2018 Corporate Governance Statement contain further information on the independence of Directors.

Scott's brief biographical details follow:

## Items 5 and 6

### Participation of Executive Directors in the Performance Share Plan

At the 18 October 2017 AGM, Brambles obtained shareholder approval under ASX Listing Rule 10.14 for grants of awards, which are rights to the Company's shares (**Awards**), under the Performance Share Plan to Graham Chipchase and Nessa O'Sullivan, each an Executive Director, until the 2018 AGM.

#### Performance Share Plan

ASX Listing Rule 10.15A requires the following specified information to be disclosed in relation to the Awards to be granted to Graham Chipchase and Nessa O'Sullivan under the Performance Share Plan:

- (a) the maximum number of securities that may be acquired by Graham Chipchase and Nessa O'Sullivan including the formula (if one is used) for calculating the number of securities to be issued - two types of annual Awards will be granted under the Performance Share Plan:
- short term incentive Awards (**STI Awards**), which will vest two years from the date they are granted subject to Mr Chipchase or Ms O'Sullivan (as the case may be) being an employee of the Group at the end of that two year period; and
  - long term incentive awards (**LTI Awards**), which will vest three years from the date they are granted subject to Mr Chipchase or Ms O'Sullivan (as the case may be) being an employee of the Group at the end of that three year period, and the requisite performance conditions being met. LTI Awards will be measured against the following three performance conditions:
    - One quarter of the LTI Awards will be measured on relative total shareholder return performance as against the top 100 ASX companies;
    - One quarter of the LTI Awards will be measured on relative total shareholder return performance as against the 50 companies either side of Brambles' rolling 12 month average market capitalisation on the MSCI World Industrials Index;
    - The remaining half of the LTI Awards will be measured on a combination of sales revenue compound annual growth rate with a return on capital invested hurdle.

Each year, the Board's Remuneration Committee will set annual STI Award performance objectives for various financial metrics at a "threshold" (the minimum necessary to qualify for the awards), "target" (when the performance target is met) and "maximum" (when targets have been significantly exceeded and the award has reached its upper limit) level as well as STI Award personal strategic objectives. At the end of each year, the Remuneration Committee will assess the achievement of those objectives and whether threshold, target or maximum performance has been achieved. Details of the financial and personal strategic objectives and the achievement of those objectives for each year are set out in Brambles' Remuneration Report in its Annual Report (for example, the performance objectives and the achievement against those objectives for the year ended 30 June 2018 are set out on page 30 of Brambles' 2018 Annual Report).

The number of STI Awards that will be granted to Graham Chipchase and Nessa O'Sullivan each year under the terms of their respective service agreements will be the specified percentage of their respective base salary set out in the table below based on whether threshold, target or maximum performance is achieved in the relevant year, divided by the volume weighted average price for the Company's shares for the five trading days up to and including the date of grant at the time of the grant (the **STI Formula**).

STI Awards: Performance Against Annual Targets	Graham Chipchase % of base salary	Nessa O'Sullivan % of base salary
Threshold	35	35
Target	60	60
Maximum	90	90

The number of LTI Awards made to Graham Chipchase and Nessa O'Sullivan will be 130% of his or her base salary divided by the volume weighted average price for the Company's shares for the five trading days up to and including the date of grant at the time of the grant (the **LTI Formula**).

- (b) The price (including a statement whether the price will be, or will be based on, the market price) or the formula for calculating the price for each security to be acquired under the Performance Share Plan – see the STI Formula and the LTI Formula set out above, both of which are based on the market price of the Company's shares.

(c) The names of all Directors and their associates who received securities under the Performance Share Plan since the last approval, the number of securities received and the acquisition price for each security – the following Awards have been received by Directors and their associates under the Performance Share Plan since it was last approved by shareholders on 18 October 2017:

Name	Type of Awards	Date of grant	Number of share rights
Graham Chipchase	STI	23 October 2017	27,740
	LTI	23 October 2017	257,884
Nessa O'Sullivan	STI	23 October 2017	23,131
	LTI	23 October 2017	147,428

No consideration was payable for any of the above Awards.

- (d) The names of all Directors and their associates entitled to participate in the Performance Share Plan – Graham Chipchase and Nessa O'Sullivan are the only Directors currently entitled to participate in the Performance Share Plan.
- (e) A voting exclusion statement – see Voting Exclusion Statement for Resolutions 5 and 6 in this Notice. You should also read the instructions in the How to Vote section of this Notice on pages 6 to 8.
- (f) The terms of any loan in relation to the acquisition of the securities – this is not applicable.
- (g) Details of any securities issued under the Performance Share Plan will be published in each Annual Report of Brambles relating to a period in which securities have been issued, with a statement that approval for issue of the securities was obtained under ASX Listing Rule 10.14.

Any Directors or their associates, may not participate until shareholder approval of their participation is obtained under ASX Listing Rule 10.14.

Graham Chipchase's and Nessa O'Sullivan's participation in the Performance Share Plan, being consistent with the participation of other senior executives of Brambles in that plan, is unanimously recommended to shareholders by the independent Directors of the Board. If approved, Awards under the Performance Share Plan may be issued to Graham Chipchase and Nessa O'Sullivan until the 2019 Annual General Meeting.

  - Brambles' share registry, either by hand to Link Market Services Limited, 1A Homebush Bay Drive, Rhodes NSW 2138 or Level 12, 680 George Street, Sydney NSW 2000, or by using the enclosed reply paid pre-addressed envelope; or

### Voting in Person

Shareholders who plan to attend the meeting are asked to arrive at the venue by 1.00pm if possible, so that their shareholding may be checked against the share register and attendance noted. Shareholders attending in person must register their attendance on arrival.

Where more than one joint shareholder votes, the vote of the shareholder whose name appears first in Brambles' share register shall be accepted to the exclusion of the others.

To vote in person at the meeting, a company which is a shareholder may appoint an individual to act as its representative. The representative should bring to the meeting a letter or certificate evidencing their appointment. A form of certificate may be obtained from Brambles' share registry at [www.linkmarketservices.com.au](http://www.linkmarketservices.com.au) (see the "Investor Services", "Forms" section – under the "General" heading), by calling +61 1300 883 073 or from Link Market Services Limited, 1A Homebush Bay Drive, Rhodes NSW 2138 or Level 12, 680 George Street, Sydney NSW 2000.

## Direct Voting

The Directors have established an online and postal voting system which gives shareholders the choice of casting "direct votes" in advance of the AGM, as an alternative to appointing a proxy to cast their votes.

To lodge direct votes, shareholders should either:

- visit [www.linkmarketservices.com.au](http://www.linkmarketservices.com.au), go to the "Vote Online" section and follow the prompts and instructions (shareholders will need their Securityholder Reference Number (SRN) or Holder Identification Number (HIN) to hand); or
- follow the instructions and notes on the shareholder voting form enclosed with this Notice.

For direct votes to be effective, they must be lodged as specified in the Voting Deadline section on page 6.

If a shareholder is entitled to cast two or more votes at the meeting, the shareholder may specify the proportion or number of direct votes that they wish to cast "For", "Against" or specify that they will "Abstain" from voting on an item.

Fractions of votes will be disregarded.

If a shareholder specifies that they will "Abstain" from voting on an item, the shares that are the subject of the direct vote will not be counted in calculating the required majority. The Brambles Limited Rules for Direct Voting at General Meetings are available at [www.brambles.com](http://www.brambles.com) in the "Investor Centre", "Annual General Meetings" section.

## Proxy Voting

To appoint a proxy, shareholders should either:

- visit [www.linkmarketservices.com.au](http://www.linkmarketservices.com.au), go to the "Vote Online" section and follow the prompts and instructions (shareholders will need their SRN or HIN to hand); or
- follow the instructions and notes on the shareholder voting form enclosed with this Notice.

For proxy appointments to be effective, they must be lodged as specified in the Voting Deadline section on page 6.

If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the shareholder's behalf, and on a poll, the shares that are the subject of the proxy appointment will not be counted in calculating the required majority.

Shareholders are entitled to appoint a proxy to attend and vote on their behalf. If a shareholder is entitled to cast two or more votes at the meeting, the shareholder may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If no such proportion or number is specified, each proxy may exercise half of the shareholder's votes. Fractions of votes will be disregarded. If a member appoints two proxies, neither proxy is entitled to vote on a show of hands.

The online proxy facility is not suitable for shareholders wishing to appoint two proxies.

A proxy need not be a shareholder.

The Act provides the following for the processing of proxy votes:

### Directed Proxy Votes

If you appoint someone other than the Chairman of the meeting as your proxy and give them voting instructions, the Act provides that the Chairman of the meeting must cast those proxy votes on your behalf if your nominated proxy does not do so.

### Undirected Proxy Votes

Shareholders are encouraged to consider how they wish to direct their proxies to vote. Other than members of Brambles' key management personnel or their closely related parties voting as a proxy on Resolutions 2, 5 and 6, if a proxy is not directed how to vote on an item of business, the proxy may vote, or abstain from voting, as they think fit. Should any resolution, other than those specified in this Notice, be proposed at the meeting, a proxy may vote on that resolution as they think fit.

If you wish to appoint a Director (other than the Chairman) or other member of Brambles' key management personnel or their closely related parties as your proxy, you must specify how they should vote on Resolutions 2, 5 and 6 by completing the "For", "Against" or "Abstain" boxes on the shareholder voting form. If you do not do that, your proxy will not be able to exercise your vote on your behalf for those resolutions.

The Chairman will be able to exercise your vote on your behalf on Resolutions 3 and 4 as he sees fit, if you appoint the Chairman as your proxy in accordance with Step 1B of the shareholder voting form, but do not direct him how to vote (in which case the Chairman will vote in favour of each of those items).

If you appoint the Chairman as your proxy in relation to Resolutions 2, 5 and 6 but do not complete any of the boxes "For", "Against" or "Abstain" opposite that resolution on the shareholder voting form, the proxy form provides that you expressly authorise the Chairman of the meeting to exercise your proxy even if the resolution is connected directly or indirectly with the remuneration of a member of Brambles key management personnel. The Chairman intends to vote undirected proxies in favour of Resolutions 2, 5 and 6. If you wish to appoint the Chairman as proxy with a direction to vote against, or to abstain from voting on Resolutions 2, 5 and 6, you should specify this by completing the "Against" or "Abstain" boxes on the shareholder voting form.

## Using powers of attorney

If a shareholder has appointed one or more attorneys to attend and vote at the meeting, or if the shareholder voting form is signed by one or more attorneys, the power of attorney (or a certified copy of the power of attorney) must be received by Brambles' share registry or at Brambles' registered office, using one of the addresses or the fax number in the Voting Deadline section on page 6 by no later than 2.00pm (AEDT) on Sunday, 21 October 2018 or, if the meeting is adjourned, at least 48 hours before its resumption in relation to the adjourned part of the meeting, unless the power of attorney has been previously lodged for notation with Brambles' share registry.

The attorney(s) must declare that a notice of revocation of appointment has not been received.

## Revocations of proxies

Any revocations of proxies (including online proxies) or powers of attorney must be received by Brambles' share registry or at Brambles' registered office, using one of the addresses or the fax number in the Voting Deadline section on page 6, before the commencement of the meeting, or at the registration desk for the 2018 AGM at The Westin Sydney from 1.00pm (AEDT) on the day of the meeting until the commencement of the meeting.

## Shareholders who are entitled to vote

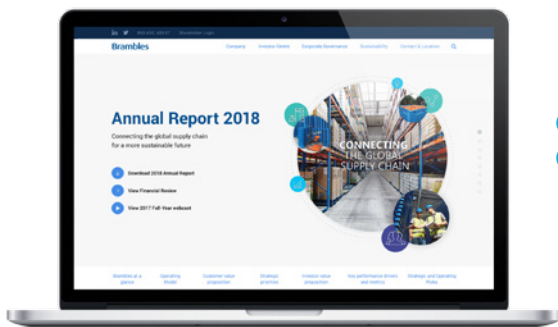

In accordance with Regulation 7.11.37 of the Corporations Regulations 2001 (Cth), the holders of Brambles ordinary shares for the purposes of the meeting will be those registered holders of Brambles ordinary shares at 7.00pm (AEDT) on Sunday, 21 October 2018.
