Brambles Limited

Instituted:	May/June 2002
Amended:	10 April 2008, 15 October 2009 8 June 2011 17 October 2017 26 March 2019 13 February 2020 15 October 2021 and 28 June 2022

1. Charter of Audit Independence

This Charter of Audit Independence sets out the circumstances in which the Company's Auditor may perform Non-Audit Services and the procedures to be followed to obtain approval for those services where they are permitted.

2. Interpretation

Audit & Risk Committee means the Audit & Risk Committee of the Board.

Audit Services means services which are necessary for the Auditor to carry out its statutory audit or review and are directly related to the performance of the statutory audit or review.

Auditor means the external auditors of Brambles Limited.

Board means the Board of Directors of Brambles Limited.

Brambles means Brambles Limited and each of its subsidiaries.

Chief Financial Officer means the Chief Financial Officer of Brambles Limited.

Non-Audit Services means Other Assurance Services and Other Services (Non-Audit Related), being services other than Audit Services.

Other Assurance Services means the other assurance services set out in Category A of Appendix 1 to this Charter.

Other Services (Non-Audit Related) means the other services (non-audit related) set out in Categories B and C of Appendix 1 to this Charter.

3. Corporate Governance and Audit Independence

The purpose of this Charter is to ensure that the Audit & Risk Committee, the Board and Brambles' shareholders can be satisfied that the Auditor is, and is seen to be, independent at all times. Among other matters, this requires that the Auditor is not involved directly or indirectly in auditing its own work - that is, it must not do work for Brambles that it may be required to review as part of the external audit. This Charter sets out the Board's policies and procedures which are to be followed to ensure this independence, and identifies various obligations of the Auditor, Brambles management and the Audit & Risk Committee designed to ensure that the provisions of this Charter are observed in day-to-day practice.

4. Performance of Non-Audit Services

4.1 Non-Audit Services

Appendix 1 to this Charter contains a list of Non-Audit Services commonly provided by audit firms. The list is divided into the following three categories.

Category A – Other Assurance Services Acceptable for Auditor to Perform, subject to approval

These comprise Other Assurance Services which, depending on the circumstances and the specific work, it may be appropriate for the Auditor to perform subject to obtaining approval as set out in section 4.2(a).

Category B – Other Services (Non-Audit Related) Acceptable for Auditor to Perform, subject to approval

These comprise Other Services (Non-Audit Related) which, depending on the circumstances and the specific work, it may be appropriate for the Auditor to perform subject to obtaining approval as set out in section 4.2(a).

Category C – Other Services (Non-Audit Related) which Auditor may not perform

These comprise Other Services (Non-Audit Related) which would impact the actual or perceived independence of the Auditor's ongoing assurance engagements. These services may not be provided by the Auditor.

4.2 Obtaining Approval for Category A and Category B Non-Audit Services

- (a) The Auditor may perform Category A and Category B Non-Audit Services with the prior approval of the Audit & Risk Committee or, subject to sections 4.2(b) and (c) below, the Chief Financial Officer.
- (b) The Chief Financial Officer can approve the auditor performing a specific Category A or Category B Non-Audit Service, except for "Personal tax services", at any time if the fee for those services will be less than USD50,000.
- (c) The Chief Financial Officer can also approve the auditor performing a specific Category A or Category B Non-Audit Service, except for "Personal tax services" if:
 - (i) the fee for those services will be less than USD150,000; and
 - (ii) that fee, together with the total fees paid to the Auditor for all other Non-Audit Services during the applicable financial year at the time approval is sought, will be less than USD1,000,000.
- (d) With the exception of Non-Audit Services that are subject to section 4.2(b), once the USD1,000,000 fee level is reached during a financial year, any subsequent Non-Audit Services to be performed during that financial year must be pre-approved by the Audit & Risk Committee. The USD1,000,000 fee level will be calculated on the fees accrued for all Non-Audit Services performed during the relevant financial year.
- (e) If Audit & Risk Committee approval for the performance of Non-Audit Services is required but it is not practical, due to time or other limitations, to obtain that approval, the Chair of the Audit & Risk Committee may approve the performance of those services, with ratification by the Audit & Risk Committee to follow at the next Audit & Risk Committee meeting.
- (f) If the Chief Financial Officer has approved the performance of a specific Non-Audit Service the value of which is over USD25,000, the details of those services will be communicated to the Audit & Risk Committee at the next Audit & Risk Committee meeting.
- (g) A request for approval for the Auditor to perform Non-Audit Services must be made using the form in Appendix 2. This applies when seeking approval from either the Audit & Risk Committee or, if applicable, the Chief Financial Officer. The form should be completed and sent to the Chief Financial Officer or to the Committee Secretary for submission to the Audit & Risk Committee, as the case may be.
- (h) Any question about which category of Appendix 1 a particular Non-Audit Services falls within must be resolved by the Audit & Risk Committee prior to that service being performed.

4.3 Other Services not in Appendix 1

The Audit & Risk Committee is authorised to determine the categorisation of any Non-Audit Services not listed in Appendix 1. Pending any such determination, any services not included in Appendix 1 will be regarded as Category C services.

4.4 Application of Policy

This policy is to be applied by reference to the substance of a particular matter. Accordingly, the restrictions in this policy apply:

- (i) whether or not any remuneration, compensation or other benefit is provided directly or indirectly for the particular service; and
- (ii) whether the service is performed directly or indirectly by the Auditor (including by any of its associates or related entities).

5. Review of Charter and Policy
