When the Board makes an Award, it will determine whether the Award will take the form of a Conditional Right, a Share Right or a Phantom Award.

If an Award is a Share Right, the Board will decide the Exercise Price of the Share Right on the Award Date. If no Exercise Price is decided, the price is zero.

5 Individual Limits

5.1 Individual Limit

The maximum value of all Awards (including LTI Awards and STI Awards) that may be granted to a Participant in a given financial year is:

- (a) subject to clause 5.1(b), two and a half times the Base Salary of that Participant for that financial year; or
- (b) if the Board determines in its discretion that there are exceptional circumstances, three times the Base Salary of that Participant for that financial year.

5.2 Definitions

The following definitions apply for the purposes of this clause 5:

- (a) **the value of an Award** means the market value (as defined below) of the Shares to which that Award relates.
- (b) **market value** means the value of Shares as determined by the Board, which must not be less than:
 - (i) if shares of the same class as those Shares are not quoted on the official list of the ASX, the market value of the Shares as determined by the Board immediately prior to the Award Date; or
 - (ii) if shares of the same class as those Shares are quoted on the official list of the ASX, the volume weighted average price of Shares in that class during the 5 trading days (as defined in the Listing Rules) up to and including the Award Date.

6 Plan Limits

6.1 5% Limits

No Awards may be granted under the Plan if it would cause the Company to exceed the 5% limit in ASIC Class Order 14/1000 (or if such limit is replaced, any limit specified by a regulatory authority from time to time to enable the Company to qualify for relief from any disclosure requirements under any law relating to the offer).

6.2 Issues to Trustees

Any Shares which have been issued or which may be issued to the Trustees to satisfy any Awards made under the Plan or to satisfy awards under any other employee share plan adopted by the Company will be included for the purposes of the limits set out in rule 6.1 to the extent any direct issue of the Shares to a Participant would be taken into account.

6.3 Calculation of Share Capital

For the purposes of this rule 6, the issued share capital will be determined as at the date a calculation is made for the purposes of the above limits.

7 Payment for an Award

A Participant is not required to pay anything for the grant of an Award unless the Board decides otherwise.

8 Transfer and Bankruptcy

An Award:

- (a) is not transferable except as expressly stated in these rules or as otherwise determined by the Board in its discretion; and
- (b) lapses immediately if a Participant is declared bankrupt.

9 Adjustments

9.1 Reduction or Cancellation

The Board may, in its absolute discretion, reduce or cancel all or part of a Participant's Award which has not Vested, if in the opinion of the Board, such adjustment is appropriate:

- (a) to protect the financial soundness of the Company or a related body corporate;
- (b) to respond to significant or unexpected or significant unintended circumstances, consequences or risks arising from the operation of the Plan that were not foreseen by the Board;
- (c) to respond to an exceptional event which has a material impact on the value of the Company or a related body corporate;
- (d) to respond to any material inaccuracy in the assessment of the performance of the Participant where the inaccurate assessment contributed to the grant of the Award;
- (e) to respond to any misrepresentation, material misstatement, or material inaccuracy in the measurement of the financial position or performance of the Company (or any related body corporate), where the misrepresentation, misstatement or inaccuracy contributed to the grant of the Award; or
- (f) in light of any subsequent or adverse development regarding the personal performance of a Participant, the performance of his or her business unit or the performance of the Company.

9.2 Malus

Where the Board, in its absolute discretion, determines that a Participant:

- (a) has engaged or participated in conduct which adversely affects, or is likely to adversely affect, the financial position or reputation of the Group or a Group Company;
- (b) is under investigation for misconduct, where such misconduct may result in financial and/or reputational impact to the Company or a related body corporate;
- (c) has hedged the value of, or entered into a derivative arrangement in respect of any Unvested Award; or
- (d) has purported to dispose of, or grant any Security Interest over an Award or the Shares (or cash equivalent) to which it relates,

then any Unvested [Award or any Vested](#) Award held by the Participant at the time of the Board's determination will lapse and the Participant will be treated as having never held any right or interest in the cash or Shares to which the Award relates, unless the Board determines otherwise.

10 Vesting

10.1 Time of Vesting

Subject to rules 10.2, 10.4, and 14, an Award Vests:

- (a) in the case of an STI Award, two years after the Award Date; and
- (b) in the case of an LTI Award, three years after the Award Date,

or, if later, at the end of the Performance Period or on the date on which the extent to which the Performance Condition is met has been determined.

10.2 Performance Condition

An Award only Vests to the extent that the Performance Condition (if any) is met.

10.3 Lapse of Award

To the extent that an Award does not Vest because the Performance Condition (if any) is not met, it lapses.

10.4 Forfeiture

Where a Participant has engaged in a Restrained Activity either during the course of their employment or in the 24 months after ceasing to be employed by a Group Company (other than as contemplated in rule 12.1 (*Good Leaver Provisions*), unless the Board determines otherwise, any Award:

- (a) to the extent it has not Vested, will lapse;
- (b) to the extent it has Vested but has not been exercised (in respect of a Share Right or a Phantom Award which is a Share Right) or the relevant Shares have not been issued or transferred to the Participant (in respect of an exercised Share Right or exercised Phantom Award which is a Share Right, or Conditional Right or Phantom Award which is a Conditional Right), will be forfeited,

notwithstanding that any other condition of Vesting is satisfied at the time that the Participant engaged in the Restrained Activity.

11 Consequence of Vesting

11.1 Share Rights - Exercise

Subject to rule 10.4, a Share Right becomes exercisable, to the extent it has Vested, on the Vesting Date and remains exercisable:

- (a) where rule 12.1 applies:
 - (i) in respect of Share Rights that Vest on or prior to the Leaving Date, up to and including the first anniversary of the Leaving Date; and
 - (ii) in respect of Share Rights that Vest after the Leaving Date, up to and including the first anniversary of the Vesting Date;
- (b) where rule 12.2 applies, in respect of Share Rights that Vest on or prior to the Leaving Date, up to and including the first anniversary of the Leaving Date;
- (c) where rule 14 applies, up to and including the date which is one calendar month (or such longer period as the Board may permit) after the Notification Date;
- (d) in any other case where paragraphs (a) and (b) do not apply, up to and including the sixth anniversary of the Award Date (or such shorter period as the Board may have decided before the grant of the Award),

- (e) after which time it lapses if not exercised, except in the circumstances set out in rule 14.1 in which case the Share Right will not lapse until the earlier of the date which is 6 months after the date of the first offer under the takeover bid and the date which is one month after the date that a compulsory acquisition notice is first served in connection with the takeover bid. Subject to rule 11.2, a Share Right must be exercised by the Participant giving notice to the Company in such form as the Company may prescribe and paying the Exercise Price (if any).

11.2 Automatic Exercise to cover Tax Liability

- (a) Where any Group Company must (or would suffer a disadvantage if it did not) pay or account for any tax, social security contributions or other levies (in any jurisdiction) (together, the **Tax Liability**) in connection with a Participant leaving the employment of a Group Company or the Vesting of a Share Right, the Board has a discretion to deem the Share Right to be Vested and exercised to the extent necessary in order to satisfy that Tax Liability in accordance with rule 11.2(b).
- (b) Where the Board exercises its discretion pursuant to rule 11.2(a), the Participant is deemed to have:
 - (i) submitted an exercise notice to the Company in respect of a number of Shares whose sale proceeds (less the Exercise Price, if any) are expected to be equal to the Tax Liability plus the costs of the sale of such Shares on the Vesting Date;
 - (ii) authorised the sale of the Shares which are the subject of the deemed notice; and
 - (iii) authorised the payment to or to the order of the relevant company of the required amount (including costs of sale) from the sale proceeds.

11.3 Issue or Transfer of Shares

Subject to the Listing Rules, up to and including the date which is 60 days after a Share Right has been exercised by a Participant (or, if applicable, their personal representative) or a Conditional Right has Vested, the Board on behalf of the Company will arrange for the issue or transfer to the Participant (or a nominee for them, or, if applicable, their personal representative) of the relevant number of Shares. However, Shares may only be issued or transferred subject to rule 10.4 and if:

- (a) the Board considers that the issue or transfer of the Shares would be lawful in the relevant jurisdiction; and
- (b) in a case where any company must (or would suffer a disadvantage if it did not) pay or account for any Tax Liability in connection with the Vesting or exercise of any Award or the issue or transfer of Shares:
 - (i) in respect of a Tax Liability arising on the Vesting of any Share Right, the Board is satisfied that either Automatic Exercise has occurred or the circumstances in rule 11.3(b)(ii) apply; or
 - (ii) in respect of a Tax Liability arising on the Vesting of any Share Right or in any other circumstances, the Board is satisfied that the Participant (or, if applicable, their personal representative):
 - (A) has paid an amount equal to the Tax Liability to the relevant company; or
 - (B) has made acceptable arrangements with the relevant company for the payment to be made (whether by authorising the sale of some or all of the Shares and the payment to that company of the required amount (including costs of sale) from the sale proceeds or otherwise).

11.4 Applicable Regulation

The exercise of a Share Right and the issue or transfer of any Shares under a Conditional Right or following exercise of a Share Right is subject to the provisions of any applicable regulation or enactment. Where:

- (a) the exercise of a Share Right is prohibited under those provisions, the Vesting of the Share Right will be delayed accordingly (which may be for an indefinite period); or
- (b) the issue or transfer of Shares is prohibited under those provisions, the issue or transfer will take place as soon as reasonably practicable after it is no longer prohibited.

11.5 Entitlement to Dividend Equivalent Payments for STI Awards

- (a) This rule 11.5 only applies in respect of particular STI Awards if provided for in the terms of the relevant STI Award.
- (b) If the Company pays a dividend in respect of Shares (**Relevant Dividend**) during the period:
 - (i) beginning on the Award Date; and
 - (ii) ending on the day on which a Share is issued or transferred to the relevant Participant in respect of that Vested Award,
and a Share is not issued or transferred to the relevant Participant in respect of that Vested Award by the record date for the Relevant Dividend, the relevant Participant will also be entitled to receive a Dividend Equivalent Payment calculated in accordance with rule 11.5(c).
- (c) The amount of the Dividend Equivalent Payment:
 - (i) will be approximately equal to the amount of the Relevant Dividend that would have been payable to a Participant to had he or she been the registered holder of the Shares referred to in rule 11.5(b) from the first day of the financial year in which the Awards were granted (excluding any dividends actually paid in respect of those Shares after their allocation to the Participant); and
 - (ii) will not be grossed up or otherwise adjusted to account for any tax consequences which would have applied if the Participant had actually been paid a dividend.
- (d) The Company may satisfy the entitlement of a Participant to receive a Dividend Equivalent Payment by, at the discretion of the Board:
 - (i) the issue or transfer of a number of Shares to the Participant calculated by dividing the amount of the Dividend Equivalent Payment by the market value (as defined in rule 5.2(b)) of Shares on the date of the issue or transfer of Shares; or
 - (ii) payment of the amount in cash.
- (e) The Dividend Equivalent Payment will be delivered to the Participant as soon as reasonably practicable following the issue or transfer of the Shares referred to in clause 11.3.

11.6 ~~11.5~~ Ranking

All Shares allotted under the Plan will rank equally in all respects with the shares of the same class then on issue except for any rights which they have by reference to a record date before the allotment.

11.7 ~~11.6~~ Quotation

If Shares of the same class as those allotted under the Plan are quoted on any stock exchange, the Company must apply to the relevant stock exchange for the Shares which have been allotted to be quoted.

11.8 Restriction on the Disposal of Shares

The Board may, in its absolute discretion, apply Disposal Restrictions as set out in the terms of the Award to any Shares issued or transferred in relation to Vested Awards. The Board may implement any procedure it considers appropriate, including entering into arrangements with the Company's share registry to enforce the Disposal Restrictions and restrict the Participant from dealing with any relevant Shares, including by determining that the relevant Shares will be subject to a Holding Lock.

12 Leaver Provisions

12.1 Good Leaver Provisions

- (a) If a Participant is a Good Leaver, then:
- (i) in the case of a STI Award, unless the Board determines otherwise within 60 days of the Leaving Date, the Participant may retain their STI Award until it Vests in accordance with rule 10.1;
 - (ii) in the case of an Award other than a STI Award, unless the Board determines otherwise within 60 days of the Leaving Date, the Participant may retain their Award until it Vests in accordance with rule 10.1 but the number of Shares in respect of which it Vests will be calculated by reference to the extent to which the Performance Condition has been satisfied under rule 10.2 and further will be reduced pro rata to the period of employment of the Participant during the Performance Period up to the Leaving Date as compared with the total Performance Period; and
 - (iii) in the case of an Award which, due to a Participant leaving the employment (whether as a director or an employee) of a Group Company, incurs a Tax Liability (as defined in rule 11.2(a)) in connection with that Award, the Board has a discretion to deem an Award partially Vested to the extent necessary in order to satisfy that Tax Liability. The number of Shares in respect of which it Vests will be calculated in accordance with rule 11.2.
- (b) Where the Board exercises its discretion pursuant to this rule 12.1, rule 11.2 will apply.
- (c) Any Awards which do not Vest under this rule 12.1 will lapse.

12.2 Other Leavers

If a Participant is an Other Leaver, then any Award granted to the Participant, to the extent it has not Vested, will lapse immediately. To the extent an Award has Vested on the Leaving Date, it will, subject to rule 10.4;

- (a) if it is a Share Right, remain exercisable in accordance with rule 11.1(b);
- (b) if it is a Conditional Right, be deliverable in accordance with rule 11.3.

12.3 Group Company

A Participant will not be treated for the purposes of rule 12.1 as leaving the employment (whether as a director or employee) of a Group Company until they are no longer an executive director or employee of any of the Group Companies.

13 Phantom Awards

13.1 Phantom Awards

- (a) The Board may decide, on the grant of any Award, that it is a Phantom Award. The terms of a Phantom Award will be the same as any other Award except that the Participant will only be entitled on Vesting or exercise to a cash equivalent of the Shares which are the subject of the Phantom Award (the **Cash Equivalent**). The holder of a Phantom Award has no entitlement to Shares.
- (b) Subject to rule 10.4, the Company will pay the Cash Equivalent:
 - (i) in the case of a Phantom Award which is a Conditional Right, no later than 60 days after the Vesting Date; or
 - (ii) in the case of a Phantom Award which is a Share Right, no later than 60 days after the date on which the Share Right is exercised.

13.2 Market Value

- (a) The Cash Equivalent is, in the case of a Share Right, the amount by which the market value of the Shares exceeds the amount the Participant would have to pay for those Shares on exercise of the Share Right or, in the case of a Conditional Right, the market value of those Shares.
- (b) For these purposes the market value is determined in accordance with rule 5.2 as if "Award Date" were replaced with:
 - (i) in the case of Share Rights, "the day on which the Participant exercises the Share Right"; and
 - (ii) in the case of Conditional Rights, "the day on which the Award Vests".

13.3 Deductions

Any Group Company may deduct from any payment made under this rule 13 any amount the Group Company considers necessary to meet any tax or tax withholding obligations, social security obligations in respect of the Participant or other levies (including, for the avoidance of doubt, any contribution that a Group Company is required to make to a complying superannuation as required by law or as the Board reasonably considers necessary or desirable in order to avoid having an individual superannuation guarantee shortfall in respect of the Participant in relation to the payment to be made to the Participant under this rule).

14 Takeover, Reconstruction and Winding Up

14.1 Takeover

If any person obtains control of the Company (within the meaning of section 50AA of the *Corporations Act 2001*) as a result of making a takeover bid for the Company, the Board must within 7 days after becoming aware of this notify every Participant and, subject to rules 11.1 and rule 14.6, each Award will Vest on the date of notification (**Notification Date**).

14.2 Control

For the purposes of rule 14.1, a person is taken to have obtained control of the Company if they and others acting in concert with them have obtained control of it.

14.3 Reconstruction and Winding Up

- (a) in the case of a STI Award, the STI Award Vests immediately on the date the event took place subject to any objective special term which may apply to the STI Award;
- (b) in the case of an Award other than a STI Award:
 - (i) the Performance Period is taken to end when the event took place, or, if this would be impractical, at another time selected by the Board acting fairly and reasonably (the **Relevant Time**); and
 - (ii) the Board must, at its discretion and acting fairly and reasonably, decide the number of Shares, if any, which are subject to Awards that will Vest at the Relevant Time, having regard to:
 - (A) the extent to which the Performance Condition has been satisfied; and
 - (B) the period of employment of the Participant during the Performance Period up to the Relevant Date as compared with the total Performance Period.

Any Awards which do not Vest under this rule 14.5(b) will lapse.

14.6 Rollover Award

If a Participant is offered the opportunity to release their Award in consideration for the grant to them of another award (**Rollover**), then notwithstanding the provisions of rules 14.1 and 14.3 (which might otherwise have meant that the Award Vested), the Board may (acting fairly and reasonably) decide that the Award will be taken to have lapsed when the event took place (provided that for the avoidance of doubt, this will not prevent Rollover from taking place).

15 Variation of Capital

15.1 Variation of Capital

If there is a variation of the share capital of or a bonus issue or rights issue in relation to the Company (whenever it occurs) or there is a dividend in specie or demerger affecting a Group Company, the Board may make such adjustments as it considers appropriate under rule 15.2, and must make any such adjustments as may be required under the Listing Rules. The rights of Participants will be changed to the extent necessary to comply with the Listing Rules applying to a reorganisation of capital at the time of the reorganisation.

16.2 Limits on Alterations

Subject to rule 16.3, the Board may not make any alteration to rules 3.1, 4.6, 5, 6, 10, 11.1, 14, 15.1, 15.2 which is to the advantage of Participants without the prior approval by ordinary resolution of the members of the Company in general meeting.

16.3 Minor Alterations

Subject to the Listing Rules, rule 16.2 does not apply to the following alterations of the rules:

16.4 Changes to Conditions

In respect of an Award which has been granted, the Board may, under rule 16.1 (and subject to the Listing Rules), amend any Performance Condition or any objective special term specified by the Board under rule 3.1 if:

- (a) an event occurs which causes the Board to reasonably consider that the Performance Condition or objective special term would not achieve its original purpose without the alteration provided that the alteration does not result in the Performance Condition being materially easier to satisfy, taking account of all relevant circumstances, after the event than would have been the case before the event; and
- (b) the Board must act fairly and reasonably in making the alteration.

17.3 Termination

The Board may at any time, and at its complete discretion, suspend or terminate the Plan or any sub-plan without notice to the Participants. The suspension or termination of the Plan or any sub-plan will not affect any existing Award already made under the Plan and the terms of the Plan (including, for the avoidance of doubt, the Performance Condition and any objective special term specified by the Board under rule 3.1) will continue to apply to that Award.

Schedule 1

The Vesting of LTI Awards granted on or after 1 July 2008 and up to and including 30 June 2017 is subject to the following performance conditions (the **Previous Performance Conditions**):

- (a) Half of the LTI Awards will be measured by a relative TSR condition. If the Company's TSR performance is between these two levels, the LTI Award will vest on a pro-rata straight line basis;

	TSR Performance	% Vesting of Shares

BVA represents the value generated by a business over and above the cost of capital used to generate that value, as advised by the Board for each financial year. The sales revenue targets and BVA performance conditions will be specified in the invitation to an employee to participate in the Plan,

or such other performance conditions as the Board may specify in an invitation to an employee to participate in the Plan.

The sales revenue targets and ROCI performance conditions will be specified in the invitation to an employee to participate in the Plan, or such other performance conditions as the Board may specify in an invitation to an employee to participate in the Plan.

Schedule 3

Total Shareholder Return Calculation and TSR Percentile

1 TSR

TSR means the total shareholder return (including dividends) of either the Company's shares or the shares of another peer group company. It is calculated for both the Company and other companies in each peer group on the following basis, where **Relevant Company** refers to the company for which the TSR is being calculated:

Step 1	Calculate the average daily closing price of an ordinary share of the Relevant Company quoted on the relevant stock exchange over the three months immediately preceding the end of the Performance Period.
Step 2	Calculate the average daily closing price of an ordinary share of the Relevant Company quoted on the relevant stock exchange over the three months immediately preceding the start of the Performance Period.
Step 3	For each net dividend or cash distribution paid on an ordinary share of the Relevant Company with an ex-date during the Performance Period, divide the amount of the dividend or distribution by the closing price of the ordinary shares of the Relevant Company quoted on the relevant stock exchange on the ex-date of the respective dividend or distribution. Add one to the result to give the number of shares that will result from reinvestment of the dividend or distribution.
Step 4	Multiply together all the results of Step 3 to give the total number of shares at the end of the Performance Period when all dividends and distributions have been reinvested.
Step 5	Multiply the result of Step 1 by the result of Step 4 to give the final value of the shareholding after reinvestment.
Step 6	Divide the result of Step 5 by the result of Step 2 and subtract one (1) to give the TSR of the Relevant Company.

The Board may make such other adjustments as are appropriate to take into account any capital reconstruction during the Performance Period, including bonus issues, share splits and share consolidations.
